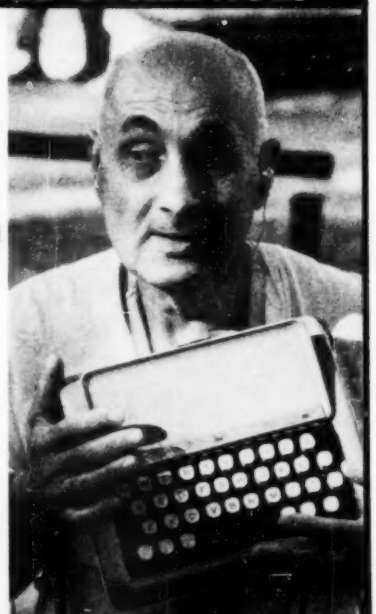
THE LIGHTHOUSE... HELPING PEOPLE OF ALL AGES



Deaf as well as blind, Gus uses a special typewriter to communicate with counselors and other campers at The Lighthouse Adult Vacation Center, where his favorite activities are boating and conversation. He loves to write to camp staff year round; one nurse learned braille just so she could correspond with him.

A bequest or tax-deferred gift will help older adults like Gus as well as young children, teenagers, and people in their working years. More than 5,000 blind and visually impaired New Yorkers were assisted by The Lighthouse last year.

Bequests and tax-deferred gifts are a major source of support for Lighthouse services.
